The Grapevine

2nd July 2017

On 1st July 2017, 21 UnitingCare agencies, Wesley Mission Victoria, UnitingCare Victoria and Tasmania Early Childhood Services and Share joined together to form Uniting (Victoria and Tasmania) Limited.

Uniting will be one of the largest community service providers operating across Tasmania and Victoria, providing over 770 programs to people each year. We will offer a breadth of services including childcare, disability services, emergency relief, financial counselling, homelessness support as well as alcohol and drug, and mental health services.

Uniting is one visible sign of the Uniting Church in Australia at work in the community.

We would like to hear your views on the new organisation and how we can all work together to ensure that the ministry and service of the Church continue to positively impact Australians now and into the future, by giving your feedback at:
