A word from Synod - GATHERINGS (as of 25/06/2020)

What face-to-face gatherings are permitted at church?

The recommencement of small gatherings for worship, prayer, or Bible study, or even home visits to some church members, presents a challenging task of how to decide who may take part without the risk of some feeling excluded.

This includes finding ways of meeting the safety requirements that don't involve or obligate those most at risk of severe illness, e.g. those over 70 or with health conditions, including Ministers or other congregation leaders, to do the tasks to achieve these requirements. This will require careful consideration by each Church Council based on local needs and requirements.

Before using any church owned buildings, or allowing any other group to use church-owned buildings, a Recovery Checklist must be completed.

Religious gatherings and ceremonies are permitted with up to 20 people plus the minimum people required to conduct the gathering to be held indoors or outdoors, providing physical distancing can be maintained (1.5metres and a minimum floorspace of 4 sqm per person is available). This number was to be increased to 50 people on June 22, but the government now insists all religious gatherings and ceremonies be capped at 20 people (plus those involved in staging the worship)

- Outdoor religious gatherings and ceremonies are permitted providing physical distancing requirements can be maintained. At least one hour should be allowed between services or ceremonies to reduce the risk of crowds at entrances and exits and to enable cleaning.

Attendee names and contact details must be recorded in case contact tracing is required. These records should be kept for 28 days.

Morning/afternoon tea and meal sharing

Synod's Coronavirus Management Team are still seeking advice to be able to provide clear guidance on how these social gatherings can be conducted safely. Until this guidance can be provided, these activities should not occur.

Friday nights with Rob Bell

Friday 3rd of July will be the next in our monthly discussions around Rob Bell's reflections on God's word. This one is titled 'You' and explores what it is about Christianity that makes it so special to so many. A link to the video will be sent out at 6pm and we will meet online via Zoom at 7pm.

Food Security for needy Children in Kenya.

Help Healesville Rotary fight poverty and improve the lives of needy children in Kenya.

Up to 75% of rural orphaned school children come to school with nothing in their stomachs. Rotary has been active for some time providing sustainable milk and vegetable produce for needy and orphaned children in Meru District Kenya.

To continue this important work, we want to expand our project into unserved areas of Timau & Meru, to establish a new herd of village cows to improve food security.

In partnership with the Rotary Club of Meru, Kenya, we can establish a breeding herd of Village Cows for a rural area not already serviced; where up to 500 needy and orphaned children live.

Could you help us by donating some funds for this project? [**Donate here**](#)
